The Burch Oil Company is proudly sponsoring the Hollywood Volunteer Fire Department 10th Anniversary Fireworks Celebration starting at 5 PM on June 30, 2018. The collaborative team of Burch Oil and HVFD along with many other sponsors is pulling out all the stops as they celebrate the 10th Anniversary Fireworks Display Extravaganza. In addition to spectacular fireworks and free admission, the event features music by "Amish Outlaws" beginning at 6 PM, carnival rides, face painting, music and games. Reggie Rice, Comedy Illusionist will be engaging our guests with magic, music and comedy at 6 PM. He is a real crowd pleaser for all ages. A variety of delicious food and cold drinks will be available for purchase through the concession stands and numerous vendors throughout the carnival lot, followed by fireworks at dark.

The Fireworks Extravaganza offers great activities and experiences for the whole family. Get there early as we are expecting a crowd of thousands. There will be on-site and off-site parking with shuttle service. No pets or coolers.
